

COMMERCIAL METER PEDESTAL WITH CUSTOMER SECTION AND ENCLOSURE SECTION

- Provides metered power distribution for street lighting, park lighting, private development lighting, signage, irrigation, pump, and cellular applications
- 100% stainless steel welded construction provides ultimate protection against corrosion and vandalism
- Swingside top allows for full exposure of meter compartment
- Top is easier to open and control than fliptops, and locks out for safety
- All stainless steel enclosures may be powder coated in many colors at an additional charge
- Double Door Design
- Stainless Steel Hinge
- Weather & Vandal Resistant
- Three-Point Locking System
- Ten year limited warranty

METER SECTION

- 0-200 amp load center with up to 30 circuits
- 120v, 240v and 480v models available
- Test Blocks
- UL Listed, NEMA TYPE 3R Rated
- E.U.S.E.R.C. 308 compliant commercial meter pedestal

CUSTOMER SECTION

- Unique design provides large electrical customer compartment but maintains a slim, small cabinet profile
- 18" Wide, 52" High, 20" Deep
- 20" x 30" customer electrical compartment

ENCLOSURE SECTION

- Removable, predrilled backboard provides for easy installation and an attractive finished product
- Large door-mounted storage area provides easy access to plans and scheduling information
- Side louvers at bottom and top allow crossflow ventilation
