| ITEM | PART NO. | DESCRIPTION | BUNDLE QTY. | BOX QTY. | BOX WGT. | PRICE |
|--|----------|---|-------------|----------|----------|----------|
|  | PS18 | <p>PIPE STABILIZERS</p> <p>PIPE STABILIZERS are used between the sprinkler heads to control the movement of the pipe. The vertical striking area provides good penetration of even the toughest soils and minimizes the above ground exposure. Since the hammer does not touch the rounded area of the "J" hook, damage is avoided.</p> | 5 | 45 | 66 lbs. | \$ 5.00 |
|  | SS24 | <p>SPRINKLER STABILIZERS</p> <p>SPRINKLER STABILIZERS are used to secure pipe and sprinkler heads to prevent movement, vandalism and damage. The vinyl covered double "J" secures the pipe to the ground and the steel shaft at the top gives the sprinkler head additional support. Allows good penetration even in tough soils. No more broken pipes from hammers slipping off rounded striking areas.</p> | 5 | 35 | 65 lbs. | \$ 5.80 |
|  | ST9 | <p>9" SPRINKLER TIE For Shrub Heads</p> | 50 | 50 | 14 lbs. | \$ 0.58 |
| | ST12 | <p>12" SPRINKLER TIE For Pop-ups</p> <p>SPRINKLER TIES are used to secure the sprinkler to the Sprinkler Stabilizer. The unique design allows fast installation and produces a strong bond between the stake and the sprinkler head.</p> | 50 | 50 | 15 lbs. | \$ 0.62 |
|  | RT | <p>RATCHET TOOL FOR TIES</p> <p>RATCHET TOOL is used to install Sprinkler Ties. It twists the Sprinkler Tie tightly against the stake which reduces labor by 50% or more.</p> | — | 1 | 1 lb. | \$ 58.00 |
|  | FB | <p>FRUIT BRUTE</p> <p>FRUIT BRUTE is a simple wire device attached to a stake which supports heavily-laden fruit or ornamental tree branches to prevent breakage. Fruit Brute is extra wide at the bottom to allow full closure at the top of the stake to create a centered entry for the barbed ends. The wire ends provide dual point penetration which dig into the stake under high compression stress to prevent twisting or slipping and to assure a positive locking action which will not splinter stakes. Fruit Brute is made of custom high tensile carbon steel wire.</p> | — | 500 | 48 lbs. | \$ 0.80 |

| ITEM | PART NO. | DESCRIPTION | BUNDLE QTY. | BOX QTY. | BOX WGT. | PRICE |
|---|----------|--|-------------|----------|----------|---------------------|
|  | CT18 | CINCH-TIE 18" For 5 Gal. – Adjustable to 6" | 100 | 500 | 38 lbs. | \$ 0.48 |
